## KILLER BEE RAW HONEY - SIMPLY SWEET!

The Bees have been busy and we have harvested lots of our Killer Bee Raw Honey for this year. Our honey is all from the local area and is full of local pollens and that makes honey so good for you. We have 1, 2 & 3 lb. jars and our 1.25 lb. cactus jar size plus the ever popular 1.3 oz. baby bears that make great Christmas stocking stuffers. ## NEW - HONEY SUBSCRIPTION PROGRAM

We now offer a honey subscription plan to our fans near and far. Sign up at the ranch when you visit or online at [Cottonlanecitrushoney.com](http://Cottonlanecitrushoney.com). Options are monthly, every other month or every three months with a shipment of 1, 2, or 3 lb. size honey shipped right to your door. This also makes a truly sweet gift for people and we always will put a card in each shipment reminding the gift recipient of who sent it. A truly great way to enjoy the sweetness and good benefits of natural raw honey wherever you are.

## HELP A VERY WORTHY CAUSE - THE JOY BUS

The Joy Bus is a 100% nonprofit organization whose sole purpose is to help relieve the daily struggles of people with cancer by delivering a fresh and healthy meal with a friendly face. Their mission is to improve the lives of cancer patients through good food and company. Founded in 2011 by award-winning chef, Jennifer Caraway, The Joy Bus was named in honor of her dear friend Joy. Joy struggled with the painful and debilitating side effects of ovarian cancer. Her grace, drive, and determination inspire us to help those who fight that same battle. Many cancer patients are left to fend for themselves during this turning point in their lives. It is truly a struggle to deal with the effects of cancer treatments and the The Joy Bus eases that burden by providing healthy meals specified to meet our patrons' needs. Each meal is delivered by volunteers who are often cancer survivors themselves. Cotton Lane Citrus is and has been a supporter of the Joy Bus for many years now. This year you too can help them help these people on their road to recovery by donating the equivalent of a bag of Fruit here, \$20.00 or more. You can fill out a form at the ranch or on the Joy Bus button on our web site. They will be very grateful for any help you can give. Thank you in advance for your generosity.

## HOLIDAY SEASON SHIPPED FRUIT ALERT 2021

### SHIP YOUR FRUIT EARLY - WE WILL TAKE ORDERS STARTING DEC. 1st

Due to USPS and UPS notices this season it is important that if you are going to send fruit to family and friends you need to mail early. While we ship priority freight and they normally guarantee two to three day delivery this year they will not guarantee that. So again if you are going to ship fruit then we advise you send early or just alert your receivers that their fruit may be a little late this year. We will not be responsible for the delays and we are sorry for the inconvenience.
